The screenshot shows a window titled "Customer Login" with a yellow header. It contains a "Login Id:" label next to a text input field filled with asterisks. Below the field is a "Sign In" button. There are two checkboxes: "Touch Screen Device" and "Enable Virtual Keyboard", both of which are unchecked. At the bottom, there are links for "Activate" and "Forget / Reset password" in red text, and a row of five browser icons (Internet Explorer, Firefox, Opera, Chrome, and Safari).

- Type Password and select option by clicking on dropdown arrow followed by clicking on "Next" button.

The screenshot shows the same "Customer Login" window. The "Login Id:" field is now empty and contains only dots. The "Password:" field is filled with asterisks. Below it is a dropdown menu labeled "Start In:" with "Trading" selected and a downward arrow. A "Next" button is positioned below the dropdown. The "Enable Virtual Keyboard" checkbox remains unchecked. The "Activate" and "Forget / Reset password" links and browser icons are still present at the bottom.
